REP 1-SK

28 MAR 1988

ICS 88-4227
24 March 1988

25X1

MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director of Central Intelligence

FROM: Lieutenant General Edward J. Heinz, USAF
Director, Intelligence Community Staff

SUBJECT: DCI's Annual Report to the Congress

1. Attached for your review is a draft copy of the Annual Report for 1987. The draft was written from material provided by various Community members. By separate correspondence, a coordination copy is being sent to those who provided contributions and to selected ICS offices. [redacted]

25X1

2. This year's report again emphasizes substantive events of significance that serve as a backdrop for a discussion of consumer needs, intelligence accomplishments, and the years ahead. The intention is to give the Congress a sense of the requirements and tasks that the Community faced last year, as well as to give an account of the intelligence response. [redacted]

25X1

3. We will incorporate any comments you may have with those of contributors and send you a final version with draft letters transmitting the report to the Congress. [redacted]
